Public Assistance (PA)

Assistance to state and local governments, and certain private non-profit organizations, for use in the response and recovery phases following a Presidential disaster declaration.

PA is a reimbursement program based on eligible costs incurred.

FEMA Grant Programs Snapshot

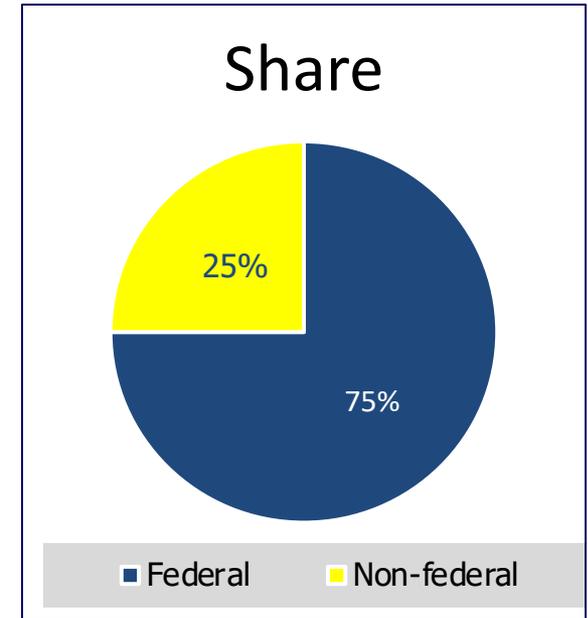

OUR LARGEST GRANT PROGRAM

**\$4.7 BILLION/YEAR
51% OF ALL GRANTS**

Public Assistance Cost Share

- ❖ FEMA will reimburse no less than 75% of eligible costs for projects.
- ❖ The non-federal share, remaining 25%
 - ❖ State agency share – 0%
 - ❖ Local government share – based on Local Council of Governments Fiscal Stress Index
 - ❖ Tribal government share – 25%
 - ❖ Private non-profits share – 25%
- ❖ Thirds party donations for eligible work performed, if documented, may off-set the 25% non-federal share. **The volunteer rate is \$29.14 per hour.***

*Virginia is currently seeking official approval for the volunteer rate if there are any donated resource projects for Category B

Vdem.emgrants.com

- A web-based portal which manages the Public Assistance (PA) Program
- Was utilized for damage assessment process
- Automatic feed from FEMA's systems, so when funds are obligated you will see them in vdem.emgrants.com
- Vdem.emgrants.com will be utilized from federal obligation through closeout.

Vdem.emgrants.com

Allows you to:

- Access project information
- Submit requests for reimbursement
- Monitor the status of payments
- Submit Quarterly Reports
- Request extensions and scope of work changes
- Generate financial reports
- Request for closeout of project

FEMA Grants Portal

- Submission of RPA
- Submission of documentation
- Projects are written and signed
- All reviews and approvals take place
- Monitor & Manage projects
- Creates Transparency across all levels of government
- Must use **Microsoft Edge or Mozilla Firefox** for full functionality

Welcome to the FEMA Request for Public Assistance (RPA) process. Over the next few minutes we will ask you a series of questions regarding your organization, contacts, mailing addresses, and supporting information. Once complete, you will be provided with the opportunity to review your submission and, once you are satisfied, you will then be able to directly submit your RPA to FEMA.

Following submission you will receive automatic notifications and will be able to track the progress of your RPA review. If your organization is deemed eligible for Public Assistance by FEMA, you will be automatically notified and will be able to use this system to collaborate with your FEMA partners.

Prior to starting this process, you may wish to [click here](#) to review your Organization Profile to ensure that all your information is up-to-date.

To get started, press the **Next** button at the bottom of this form.

Welcome to the FEMA Grants Portal Registration!

This registration process is designed to assist you in quickly setting up your State and Local Government FEMA account and requesting FEMA Public Assistance Funding. Once you verify yourself below, you will be required to provide basic information about your organization to be used during the approval of your request. You will have **1 hour** to complete this process.

Note: Non-profit organizations and tribal government organizations should first reach out to their local Emergency Management Department, or appropriate State Emergency Management representative to apply for Public Assistance Funding. If you are an **individual** looking for Individual Assistance, please go to disasterassistance.gov.

Please verify you are a human by clicking the link below.

i Register Your Government or Private Non-Profit Organization for Public Assistance

Please provide the following basic information to request a Government or Private Non-Profit (PNP) organization account for **FEMA Public Assistance Funding**. Once completed, your account and request will be submitted to your state/territory Emergency Management representative and FEMA for review and approval.

For government entities, if there are events with an open RPA enrollment period in the State/Territory, the Applicant may continue to submit an RPA with this account creation request. If the Applicant chooses to not submit an RPA at account creation, the Recipient will review only the account creation request and the Applicant may submit its RPA later.

The screenshot shows the 'Grants Portal' interface. At the top left is the logo with the text 'Grants Portal'. At the top right is a 'Help' link. The main heading is 'Register Your Government or Private Non-Profit Organization for Public Assistance'. Below this is a sub-heading: 'Please provide the following basic information to request a Government or Private Non-Profit (PNP) organization account for FEMA Public Assistance Funding. Once completed, your account and request will be submitted to your state/territory Emergency Management representative and FEMA for review and approval.' A progress bar shows five steps: 1 Organization Info, 2 Contact Info, 3 Locations, 4 RPA (current step), and 5 Submit. Navigation buttons for 'PREV' and 'NEXT' are visible. The main content area contains an information box: 'In addition to registering your account, you also have the option to submit a Request for Public Assistance for a current Presidentially declared disaster.' Below this is a question: 'DO YOU WANT TO SUBMIT A REQUEST FOR PUBLIC ASSISTANCE? *' with radio buttons for 'Yes' (selected) and 'No'. A second question is: 'WHICH EMERGENCY / DISASTER DO YOU WANT TO REQUEST PUBLIC ASSISTANCE FOR? *' with a dropdown menu showing 'Select...'. At the bottom, there is a text area for additional information with the instruction: 'PLEASE USE THE AREA TO THE RIGHT IF YOU WOULD LIKE TO PROVIDE ANY ADDITIONAL INFORMATION; FOR INSTANCE, YOU MAY PROVIDE A BRIEF NARRATIVE DESCRIBING WHY YOUR ORGANIZATION IS REQUESTING ASSISTANCE. THIS IS OPTIONAL, AND YOU MAY PRESS NEXT AT THE TOP OF THE FORM TO SKIP THIS STEP.'

- Public non-profit entities, such as those that are agencies or instrumentalities of SLTT governments, are generally considered SLTT government entities and do not need to submit additional documentation required by PNP Applicants. These entities should select the government organization type that best describes them. If an Applicant is unsure of its type, it should consult the Recipient.
- PNP Applicants must wait for account creation approval from the Recipient before submitting an RPA.
- After the Applicant completes the account request and the Recipient and FEMA have approved the RPA request, the Applicant receives a system-generated email with a username and temporary password to gain access to Grants Portal.
- The system will then prompt the Applicant to create a permanent password.
- Once the Applicant has access to Grants Portal, it can choose to follow the instructions above for Applicants with an existing Grants Portal Account to directly submit an RPA in the system.

Filling Out the Project Application

- The online project application will require the Applicant to fill out four sections:
 - Section I - Project Application Information
 - Basic information identifying the activities for which funding is being requested
 - Section II - Scope of Work
 - Description of activities that the Applicant conducted or will conduct in response to Severe Winter Storms
 - Section III - Cost and Work Status Information
 - Cost of activities described in the Scope of Work and whether the work is not started, in progress, or complete.
 - Section IV – Project Certifications
 - Certifications by the Applicant that activities and costs claimed comply with applicable laws and regulations.
- Based on responses in the first three sections of the online project application, at least one additional form or schedule will be required.

Uploading Documentation

- In each section and schedule, the Applicant must upload supporting documentation. The project application may not be submitted if required documentation is not attached.
- The easiest way to upload required documents is to do so as the Applicant is filling out each section and schedule when prompted. The Applicant can also upload documents on the Document Repository tab of the summary page.

Consolidated Resource Center (CRC)

- Once Applicant submits project application the project status will update to “Pending CRC Development”
- The application has been routed to staff at a FEMA Consolidated Resource Center where FEMA specialists scope, cost, validate and review the information in the project application for compliance with all applicable laws and regulations.

Reviewing and Signing a Project

- Once FEMA and the Recipient have approved the project, the Grants Portal system will send a notification to the Applicant that the application is ready for review.
- Go to the Tasks tab in Grants Portal and click “Review” to begin reviewing the project application.

Resources and Forms

The screenshot shows the Grants Portal interface. On the left is a navigation menu with items like Dashboard, Change Organization, My Organization, and My Tasks. The main content area is titled 'Resources' and features a 'Public Assistance Project Forms' section. Two red callout boxes provide instructions: 'Step 1: Select Resources' points to the 'Resources' menu item, and 'Step 2: Click the Public Assistance Project Forms section' points to the 'Public Assistance Project Forms' dropdown menu.

Step 1: Select Resources

Step 2: Click the Public Assistance Project Forms section
